WHITE PLASTIC GUIDES

Available at your local hardware store. Slotted hex white nylon screws 1/4"x 20 x 3/4"

*All prices to include sales tax where applicable. If more than (1) part is ordered, freight will be consolidated and calculated accordingly. A final invoice will be provided including freight and tax if applicable.

PRICING VALID FOR 30 DAYS.

If the frame from your existing door is intact, you can have a local glass company supply and install the glass portion of the door per the following specifications. This option is cost-effective and faster.

MUST BE INSULATED GLASS All doors are made up of two pieces of glass: Glass is 1/8" thick with 5/16" air space then another 1/8" piece of glass

4' case each door section is made of:	1611/16"X 20¾"x 9/16"thick
6' case each door section is made of:	2315/16" x 20¾" X 9/16" thick
8' case each door section is made of:	181/2" X 20¾ x 9/16" thick

Light bulbs can be purchased at most hardware stores.

6' case needs (2) bulbs, model #F32-T8

4' case needs (2) bulbs, model #F25-T8

White Wire Shelf Sizes:

4' case 18 1/2" x 28 3/4" and 24" x 28 3/4"
6' case 16 1/2" x 28 3/4" and 24" x 28 3/4" (2)
8' case 16 1/2" x 28 3/4" and 24" x 28 3/4" (3)
10' case 16 1/2" x 28 3/4" and 24" x 28 3/4" (4)
12' case 16 1/2" x 28 3/4" and 24" x 28 3/4" (5)
